Our sex life was getting a little stale and I did not feel I was getting the attention I deserved. So, I talked my hubby into making a little movie of us doing it and he reluctantly agreed. I sent some stills and frames from the home movie to this magazine if they would just publish it under an alias. Hope you like it!

I want your cock now

I'm a Texas born Cubana who loves to eat man meat. I get turned on just at the sound of a zipper going down. It's kinda like the Pavlovian response that it makes my mouth water and my pussy get wet. And when that cock comes out of its pant cave, my mouth is just a second behind. My favorite thing is to take a limp cock in my mouth and feel it grow and grow hard inside my throat. That's when it's time to go to work on it.

Okay, my marriage barely lasted over a year. Momma told me this was the wrong guy and I shoulda listened to her. This photo shoot is the first one I've done since we split up. I initially found solace in my girlfriends' arms and pussies because I was a man-hater. But I've calmed down and am starting to like men again. Before I start dating again, I had this chance to be withn a guy, have sex, and no commitment afterwards.

back office secrets

But this time, when I went to rub and tease her, instead of encountering wet cotton, my finger slipped between her swollen lips.

My shift started out pretty good; I'd gotten to work a bit early and clocked in. I looked at the daily sheet to find out how we'd been doing and what our goals were for the day. Erin, one of the managers, was helping a new associate ring up a customer. I waved hello, not wanting to interrupt them, and then headed to the back to see if Maddie had anything special for me to do that night. She was sitting at the desk in the back when I walked in, and she just about jumped out of her skin when I said "Hey." "Don't do that do me!" she said, hand clutched against her chest.

She looked great, as she always does. Her hair was pulled back, she was wearing an off the shoulder blouse, and when she turned around the talk to me, I noticed how great her legs looked in the skirt she had on. I don't know what it was about seeing her bare shoulders like that, but every time I saw her in that blouse, it sent a shiver up my spine. But I tried hard to keep those kinds of thoughts to the back of my mind, as I didn't want to get caught staring like some star-struck teenager, especially considering that she always wore low cut tops that showed of her cleavage.

She filled me in on what we needed to do that night, and said she'd get me to rub her shoulders in a bit, as she'd been tense all day. We flirted for a bit after that, talking about personal issues and other non-work related items. After a bit I got up and went out front to help Erin while Maddie finished up the paperwork she had been working on. I pulled out some back stock to fill in the floor, and changed three light bulbs that had gone out. About 30 minutes later Maddie came out and asked if I'd come massage her shoulders before Erin had to leave. We walked to the back and she sat down in the chair. I took off my rings and started rubbing her shoulders. I was trying to distract myself from the fact that I could see straight down the top of her blouse when she started telling me about how bad she'd been recently.

It was pretty normal for us to be pretty open with each other about any adventures we'd had. But I was starting to get pretty aroused about hearing about what she'd been up to lately. Hearing this while having my hands on her bare shoulders, and staring at the delicate curve of her neck was driving me insane. I was massaging lower and lower on her back, then moving back to the her scalp to trace my fingertips down the curve of her neck, and across her shoulders when I just couldn't take it anymore. I had to do something about all the thoughts that were going thru my head by then.

Her head was tilted slightly to one side so I leaned forward and lightly kissed the back of her neck, brushing my lips around the side of her neck, kissing every inch or so. For a second she tensed up, and my heart started pounding, wondering if I'd really screwed up, when she relaxed and continued telling me about her exploits, while tilting her head more so I could better get to her neck. Knowing an invitation when I see one, I continued kissing my way across her neck to her ear, nibbling slightly on her earlobe. By now I could tell her breath was coming a bit quicker. I let my hands slide down from her shoulders, tracing circles lower and lower down her front till I could feel the swell of her breasts.

Barely in control of my self by now, I cupped her breasts thru her shirt and started to caress them. She turned her head and our lips met, then opened and we started kissing deeply. Her hands came up and she ran her fingers through my hair while we kissed. What felt like an eternity later, our lips parted, and we just looked into each other's eyes for a bit. "God I want you now!" Maddie said, "But Erin is going to be back here in a minute if we don't get out to the floor to let her go home." My eyebrows went up at that, "Well, at least we are the only two closing tonight, who knows what might happen before the night is through. I think we can find plenty of ways to keep our minds on things till we close." She was biting the corner of her lip before saying, "Damn straight we will! But we just need to be busy tonight, cause if it's slow, it is going to take forever for nine o'clock to get here!"

I grinned and stood up, put my rings back on, and then put out a hand to help her up so we could go out front. She adjusted her blouse, so it didn't show my groping and we headed back out front. I couldn't help watching her ass move under her skirt, wondering if she was wearing panties or a thong. Erin and the new girl left while Maddie and I helped the few customers that were in the store. As normal for a weeknight, there would be a small rush of customers then no one in sight for an hour or so. Unfortunately this left us plenty to time for teasing each other. I'd be at the wrap desk or folding something at the table when I'd feel her press up against me from behind, her hand coming around my side to grab the crotch of my pants, or just to press her breasts up against my back.

Of course I gave just as good as I took. Whenever I'd catch her on the phone, I'd come kneel down near her and pretend to pick up something off the floor, when I'd rest my hand on her bare leg, and slide it up between her thighs till I could rub my finger against the crotch of her panties. Or when she'd be bent over somewhere in the store I'd step up close behind her, run my hands down her back, then grab her hips, pulling her back to me so she could feel the bulge in my pants against her rear. Of course during the whole night we talked... well, mostly teased. The things we talked about!

We talked about the wildest things we'd ever done, or thought about doing. I admitted to her some of the things I'd thought about doing with her, and was surprised to find she'd had a few thought about me too. Mostly we talked about what we'd be doing to each other once the store closed. Or what we wanted to do to each other right then. It almost made things worse when we had customers, as we did our best to help them, but most just wanted to browse. We had to behave ourselves during these times, but still managed to catch each other's eye with a look every once in a while. She caught me by surprise one time when I came up behind her, reached around pulled up her skirt and went to rub the crotch of her panties. I'd noticed as the night went by that her panties were getting wetter and wetter.

But this time, when I went to rub and tease her, instead of encountering wet cotton, my finger slipped between her swollen lips. A pleasant surprise! She moaned appreciatively as I found her clit and ran the tip of my finger around it before stepping away. I lifted my finger to my mouth, she tasted even better than I imagined! I couldn't wait to get the chance to kiss my way between her thighs and tease her with my tongue! After that I took every chance I could to rub her pussy, once even getting wild enough to catch her at the desk, and kneel down in front of her, and push her skirt. Her lips were bright red and swollen, her juices coating her thighs. I lowered my face between her legs and traced my tongue around the edges of her lips while squeezing her bare ass in my hands. I felt a shiver run thru her body when I dipped my tongue into her, she was SO wet! The smell of her was intoxicating and she her taste was like an aphrodisiac. Every taste of her just made me want more! She was watching the front while my tongue explored. After all the teasing throughout the night, it was only seconds before a flood of her juices filled my mouth and I felt a tremor run thru her entire body.

I kept a constant pressure with my tongue on her clit while tremor after tremor went thru her body. She finally pushed my face away and pointed to the front of the store. I wiped my mouth before standing up and seeing that another customer had walked in. Seeing that she was still a bit wobbly from her orgasm. I went to the front and helped the people that had just walked in. Maddie disappeared to the back to compose herself, and probably to wipe up a bit, but appeared back on the floor before to long. It was getting closer and closer to closing time. But about an hour before we closed she did manage to get me back. I had just answered the phone; it was Laura from Madison Square wanting to know how we were doing.

I was pulling up the report when Maddie came and kneeled in front of me, mouthed "Watch the front." and started pulling on the zipper to my pants. She had a bit of trouble fishing out my semi-hard cock from my pants, but when she did, she instantly went to work on me, licking me, and then taking me deep into her mouth. I was trying hard to keep my voice steady while talking to Laura and keep an eye on the front. It wasn't easy, as Maddie quickly had me rock hard and was very good at what she was doing. Luckily I was able to get off the phone before my voice cracked. It didn't take her long to get me to the point I was ready to explode. I swept the store with my eyes before looking down to tell her that if she didn't stop soon, I was going to cum. Her eyes twinkled and she stopped long enough to tell me that was the whole point before redoubling her efforts.

Then stopping, I looked down at her, wondering why she'd stopped, when she smiled and said she changed her mind, and I'd have to wait till we closed. Luckily no one came in during all that, or even for the next twenty minutes. The sexual tension between us had thickened to the point that I worried that anyone walking in would have known something was going on. But as luck would have it we didn't have any more customers that night, we started getting things ready to close the store, cleaning mirrors, vacuuming, closing registers. The only flirting we did during this was when Maddie said. "I hope you won't get in trouble getting home late tonight, I have a lot of plans for you tonight." "I was going to say the same thing to you, this could end up being a very long exhausting night for the both of us" I replied, winking at the end. "You have no idea..." was her parting remark as she went back to counting down one of the cash drawers. The last half hour passed pretty quickly, considering how much we were both anticipating what would come afterwards. I straightened the store and cleaned the mirrors, while Maddie closed out all but the last register. At about five minutes till 9, I went to the front to pull in the signs outside the store and closed the gate once the mall closing announcement came over the speakers.

She had a bit of trouble fishing out my semi-hard cock from my pants, but when she did, she instantly went to work on me, licking me, and then taking me deep into her mouth.

I took my time vacuuming the store till Maddie finished closing the last register and went to the back to close out the store. I put away the vacuum cleaner and went back to join her. She was leaving the nightly voicemail, so started nibbling on the back of her neck. I was teasing her earlobe when she finally hung up the phone. Maddie stood up and sat me down on her chair, then sat on my lap. We kissed over and over, exploring each others skills. I slipped my hands up the back of her shirt and rubbed her back while we made out. After a couple minutes, I pulled her shirt up, and she helped me pull it over her head. I unhooked the back of her bra, and pulled it off from the side, uncovering her full breasts. Her nipples were hard, and I desperately wanted to suck on them. She pulled at my shirt, and I helped her unbutton it and shrugged out of it. The feel of her firm breasts pressed against my bare chest as we went back to kissing was exquisite. Her skirt been pushed up when she straddled me, so I reached down and kneaded her bare ass with one hand.

I kissed my way down her neck, and she leaned back over the desk so I could continue kissing down her cleavage. I used my lips to explore the curve of her breast before taking her nipple into my mouth. Suddenly all the lights came on and the CEO walked into the room. We both turned bright red as we tried to cover up. He smiled and came over to us asking 'What's going on here?'

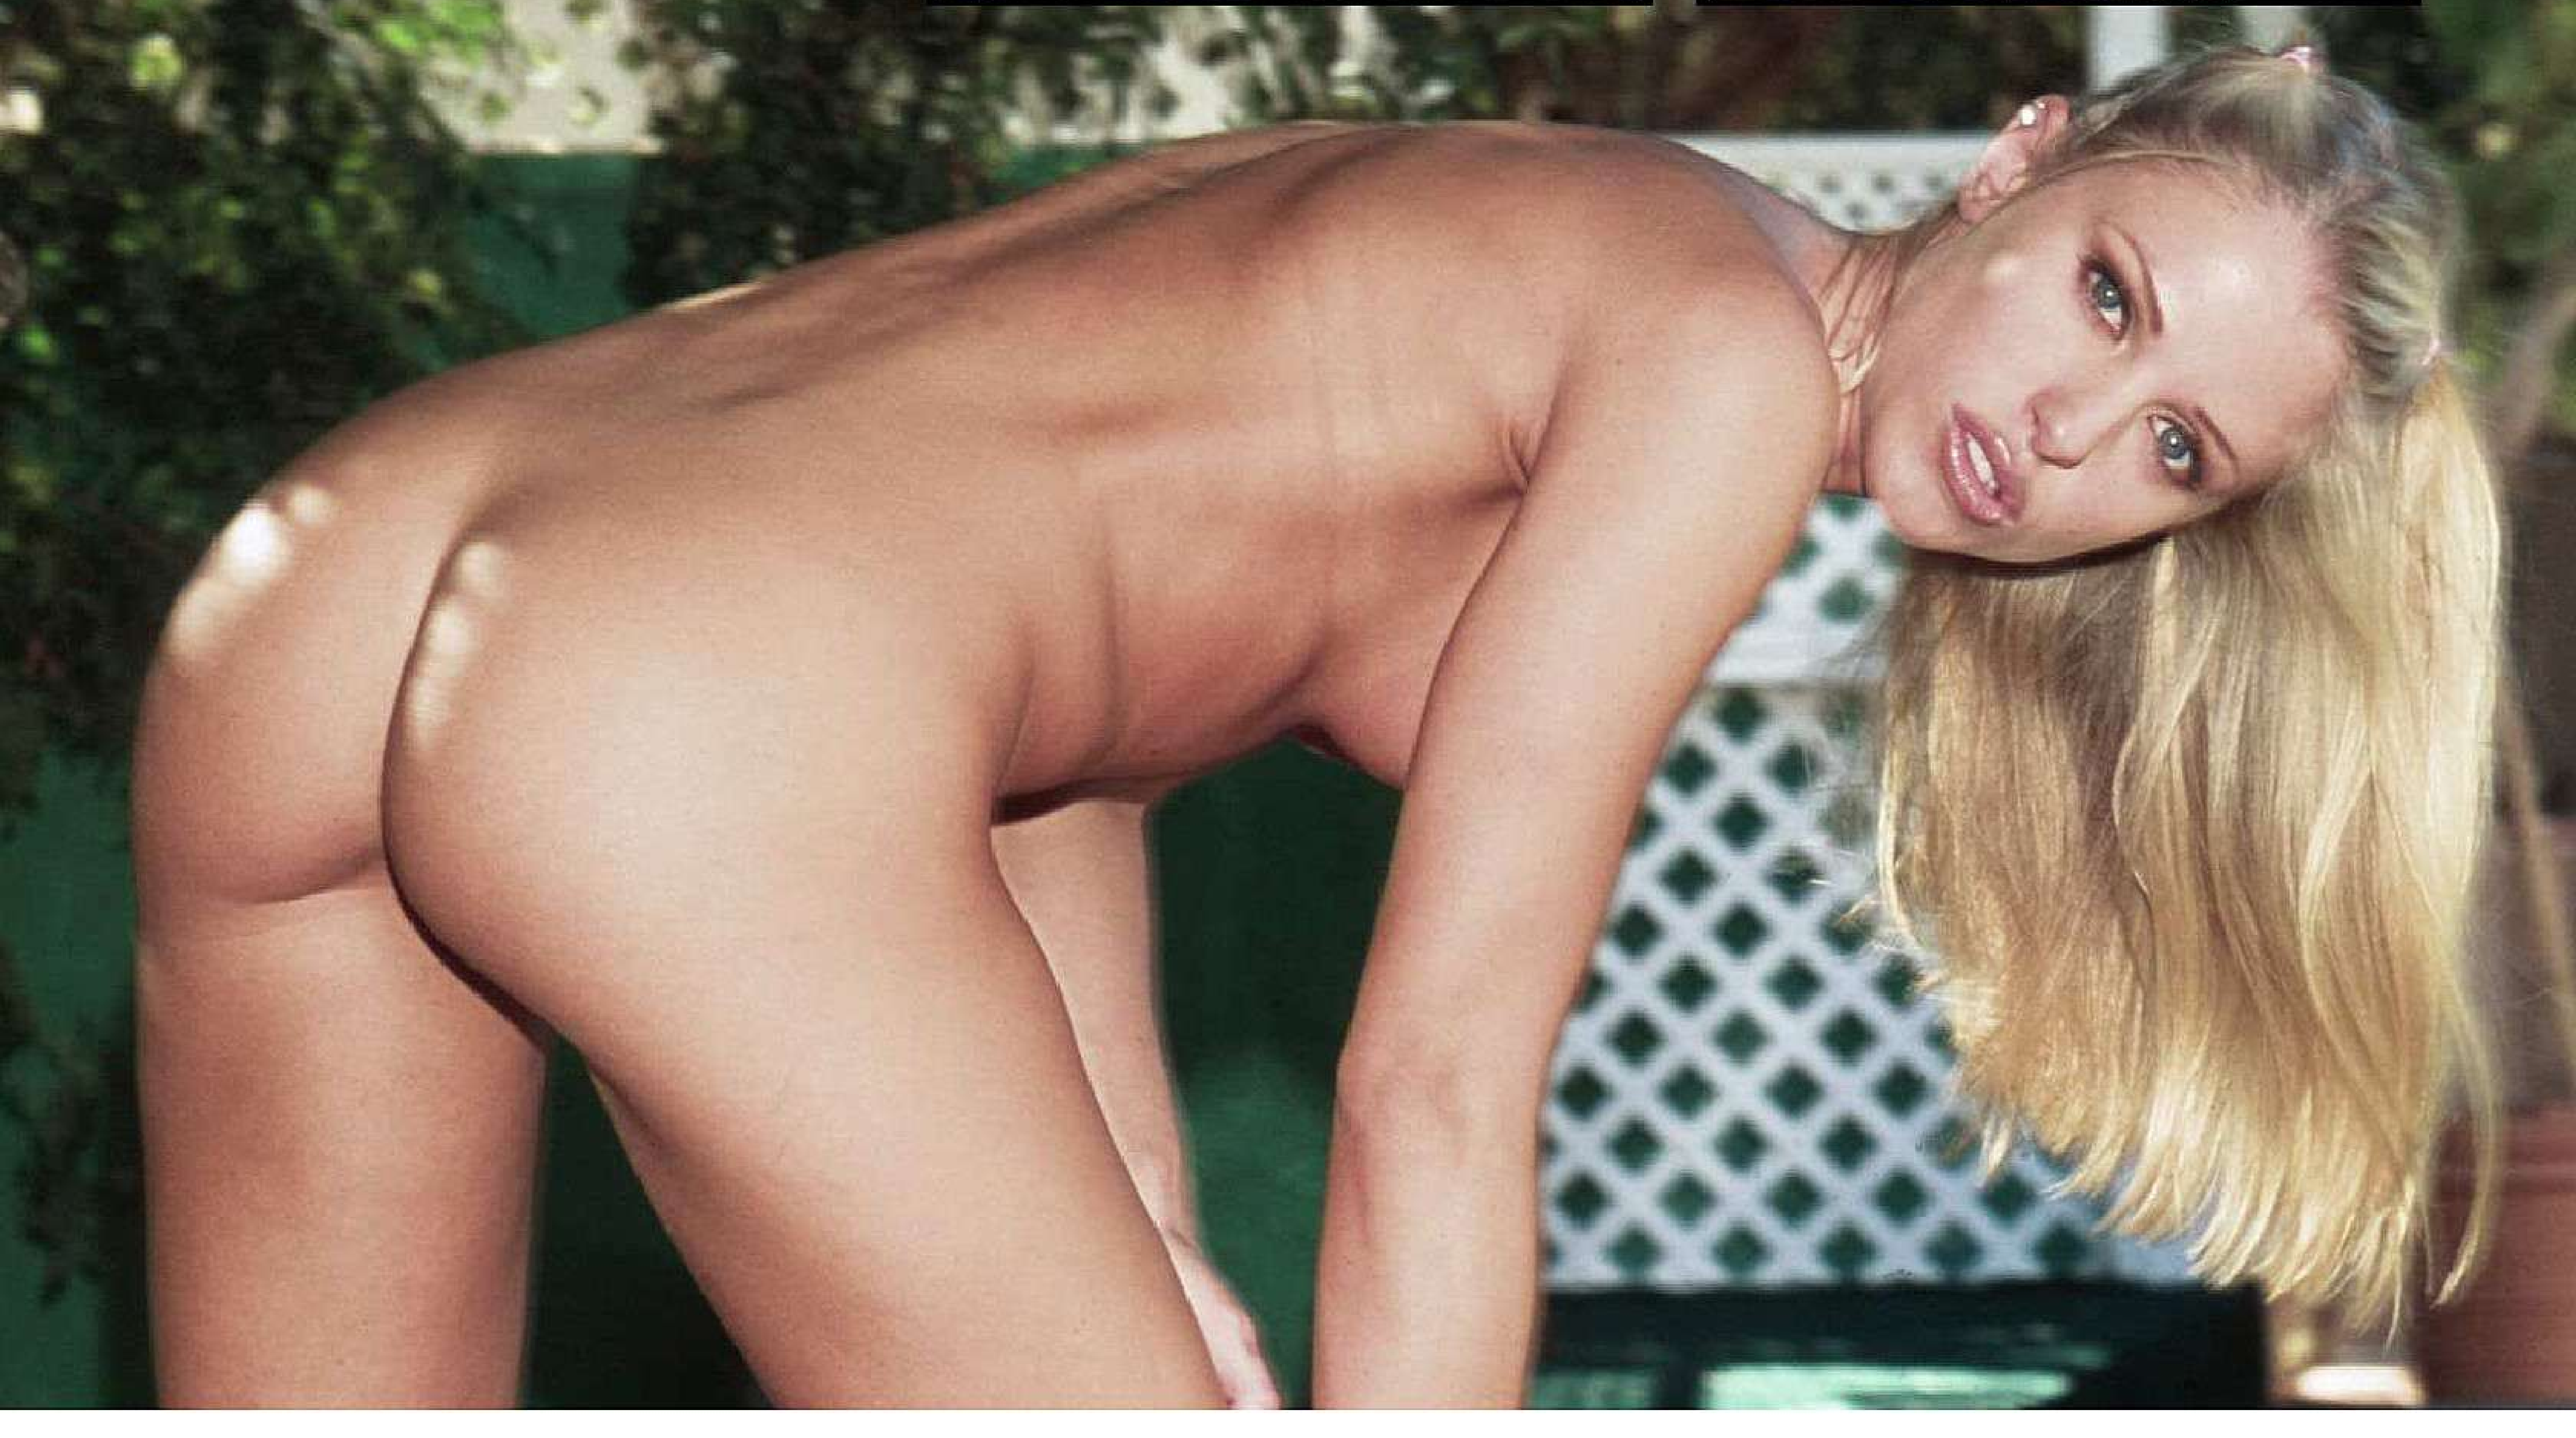
I shave it every day



Even though I'm a true blonde and my pubic hair is really fine and blonde, too, I shave it all off. My hubby likes it that way and I want him to know I do it for him. Then, he seemed to lose interest in eating my pussy and I let it grow. Now I don't like it that way because I got used to it shaved off. What do you think?

I once took out a Craig's List ad looking for fun...

<< Fun, happy 26 year-old looking for the right guy for lots of no strings attached bedroom fun. Must be clean, attentive and well-endowed. Must be willing to try anything once – or twice. >>

Needless to say I got more than two thousand reponses, but I stopped reading the emails at the first one that sounded right. I emailed back and we met at a Starbucks. He was a hunk of a man and asked him if he was well-endowed. He said he'd show me if we just went o his car in the parking lot. We did and he unzipped and I pulled out a monster of a cock.

So we decided to try it out and drove up the coast to Santa Barbara for the weekend. He booked a room at the Canary Hotel which was really nicer and cozy. We spent the day walking the beach and talking and dinner that night was wonderful too. Then it was time to go back to the room and we were both a little hesitant, but we ordered champagne and after a quick and intimate shower together, we got on with the pleasures of sex. Now... Look at me in these pictures and imagine what sort of time we had. Yeah, you bet it was hot.

My New Year's Celebration

It's 2102 turning into 2013 tonight in Dalles. I had planned things all sorts of things for tonight, New Year's eve, and they all fell through. Now I need to improvise some new plans and see what pans out after. I was hoping that I'd be partying with my boyfriend, but the jerk stood me up one too many times. Last time ever was this past Christmas when he was supposed to come over to my apartment and enjoy the great meal I had made for the two of us. But NO, he's out messing around with his buddies and they go to a titty bar and get lap dances all night. Why are titty bars even open on Christmas? Enough, I told myself!

So I decided to go out tonight by myself and see what trouble I could get into. I dressed sexy, perhaps too sexy, for the night but what the hell. I started out at 11 pm and headed over to Victory Park for the celebration and fireworks. The place was crowded and I hung out till after midnight when I decided to head for the Arts District and hit some clubs. I found one that a lot of people seemed to going into and did so myself. I found a cozy spot at the bar and started grooving on the music, enjoying my favorite libations and flirting with a few guys. One in particular, was a person I saw jogging around the park near my apartment complex.

We started a drink-fueled conversation and I started finding him funny and somewhat attractive in the colored lights of the club. It was getting on to two am and he asks if I wanted to go back to his place and party. He said his roomie was there with bhis girlfriend and they were waiting for him to finish the celebrations. I was very drunk but not wasted, very horny, and ready for anything Dylan and his roomie may throw at me.

When we finally got there, the place seemed dark and quiet, except for one light. "Spencer! You up?" said Dylan, as we entered the flashy apartment. I snooped around, while Dylan looked for his roomie. I wandered into a bedroom. That's when Dylan caught me, he by now had removed his top while I was snooping around. Dylan looked pissed that I was in the bedroom. I stuttered an apology. He smiled at me, and then instantly pulled my top off, and my perky breasts popped out. I didn't even try cover up.

Dylan nodded, as he seemed to like what he saw. I just stared and was curious, was he still pissed or was this just foreplay to him. He then gently pushed me against a wall by groping my breasts. He then kissed me, I kissed back. I embrace him as he licked my neck and sucked on my ears. While all the time, he fondled my naked breasts. My breathing became ragged, as he lifted me up and carried me to the living room. I wanted his cock so bad. I wanted his cock to hold, suck, to play with, and to fill me.

I felt so excited and was buzzing and aching like I had just gotten out of prison and hadn't had sex in a real long time. Probably the fact I was between tipsy and drunk, and I was horny as hell. He knew that too as he bent down and took one of my nipples into his mouth. I moaned and bucked into him. He then let me go as I fell onto his couch. I was hungry for cock and sex as I gazed into his eyes. I undid my miniskirt and pulled my wet panties off, throwig them on the floor without losing my gaze on him. I then jumped back into his arms.

My bare breasts were rubbing against his bare chest as I also rubbed my wet pussy against one of his legs. He smiled, and put me down on the couch again. This time he undid his pants and removed his boxers, and out sprang a nicely hard seven inch. I looked at it and decided it wasn't hard enough so I began to suck on its head. I was sucking slow and deep, and holding his cock deep down my throat and gagging on it until tears run down my eyes. Dylan smiled at me, and caressed both my breasts, before turning me over so my front was on the sofa.

I felt the tip of his cock, slowly force its way into my hot wet pussy, as he began to spread my legs apart. I almost screamed with pleasure as it entered me. Had it really been that long since I had some cock? Then he slapped my ass as he started fucking my pussy hard. I moaned and bucked back with every thrust. He was pounding into me, and I was in heaven. It felt so good. He was fucking me hard and I was cumming and I think he was close too as well. He pulled out of me as I came and squirted my juices down my leg and onto the sofa.

He then picks me up and makes me suck on his cock again. It wasn't long before I picked up a steady rhythm of sucking it. I knew he was close to exploding as his moans sounded more intense. Then I felt his cock twitch and filled my throat with cum and I sucked down hard on his cock. While I was doing this I looked to the side and I saw Spencer watching us and jacking off. Dylan pulled out of my mouth, as I licked my lips. "Hey, dude!" Dylan said.

"Dude, way to go dude." Spencer said to Dylan. Then Dylan looked at me. He wondered if I wanted any more, and I did. I looked up at Spencer. "Honey, do you want to play?" I said to Spencer. Spencer quickly laid me down on my back and started kissing my breasts as he slid his cock inside my wet pussy. I moaned and so did he. Problem with Spencean was he came within a minute. Dylan laughed, I felt bemused. As the three of us just lay there on the couch naked staring at the TV. I looked at the clock, it was almost four in the moring. Dylan got up and made me a drink. He didn't drink but made me some vodka and orange juice, from a freshly opened bottle of Grey Goose. Spencer had a beer.

I was lost in too many conflicting thoughts: stay here and fuck these two or leave soon. The alcohol made my choice, and it turned out to be a good one. It wasn't long after I finished my drink that I was sucking on a cock while on my back with a cock in my pussy. This went on for some time. One would fuck my pussy and then finish off in my mouth while the other watched TV. Then I go over and give the other a bj until he came again.

So it was going on for a while like this, I would have a mouth full of cum, then we would have a drinks break and then continue. All the time I was becoming more and more drunk and drowsy. Last time I saw the clock was six am before I eventually passed out. Best way to go to sleep. Thanks guys!

Fuck thy neighbor

The doorbell was ringing and I was rushing to answer it. I had just finished showering and still had the towel wrapped around me as I opened the door. Standing on my stoop was my new neighbor Corrine. She had just moved into the neighborhood a few months ago and we had met several times before, but this was the first time that she had come over. She had pretty, dirty blonde hair, blue eyes and was as tall as me. She also had D sized tits on a slim figure. If there was a definition for MILF with a picture, Corrine would definitely be it.

"Hello Corrine," I said surprised. "Hi," she said back. "Is there somemthing I can do for you?" I asked. "I came for the fun," Corrine replied.

I had a confused look on my face because I had no

She now slides herself under my cock and pulls it into her wide open mouth.

idea what she was talking about. Corrine then had me close my eyes. I opened my eyes and saw Corrine standing there completely naked, her robe on the ground around her ankles.

“Holy shit!” I said surprised and shocked. “Like it? My ex paid for this body. Tits, chin, butt, but now I have no one to share it with.” Corrine explained.

I had found her quite sexy ever since the time we first met at the community center shortly after she moved here. So when I saw her nude for the first time, it was super hard to keep a straight face while trying not to get hard. “May I please come in if you don’t mind?” she asked in a almost shy voice. Fucking her would be a dream come true, I thought as she walked past me into my living room.

She made herself comfortable on the sofa and asked for a drink. I went to the kitchen and brought back a bottled iced tea. I handed it to her and sat on the chair next to the sofa. She started talking about her ex and moving out on him and trying to adjust to a new place. I nodded in agreement as she meandered until finally she blurts out to show her my cock – please.

“Drop your towel.” she says.I sta there dumbfounded for a moment but decided to do as she asked. Why not? I did as she said; I dropped my towel and let her see my cock.

“It’s huge. I can’t believe how huge it is. That’s the biggest cock I have ever seen,” said Corrine. “Bet you get all the chicks to fuck you.” “Not really,” I replied. “I’m not much of a ladies’ man, I mean; I’ve had sex a few of times.”

She motioned to me to cover up again and we sat on the sofa for another hour, much more relaxed and more open in our conversation. I invited her to go to the pool with me since neither one of us ha needed a swimsuit. She laughed and we went out back to the pool. I had a huge back yard, with a wooden fence for privacy around the whole yard. I ran into the pool first and jumped in, then Corrine. We both swam around awhile.

“I’ve never skinny dipped before. This feels great.” she says. “Same here,” I said. “It’s like a warm caress all over your naked body.” I added. “Like it when it touches your erection?” Corrine asks. I was shocked and embarrassed; I didn’t know what to say. Corrine moved toward to me. When she got to me, she kissed me. We started to make out and she grabbed my cock and gave it a slow stroke for every kiss. After making out for a few minutes, Corrine said, “Let’s go up to your room, I want you fuck the shit out of me.”

We got out of the pool, grabbed a towel to place on the bed and ran up to my room. Corrine placed the towel on my bed and got on top of it on her back. She smiled and said, “I want your hard cock inside me.” I got on top of Corrine and gave her a big kiss on the lips; I grabbed my hard cock and shoved it in her pussy.

I fucked her at a fast pace. We were both very horny bur Corrine was even hornier. She was really screaming at the top of her lungs from the fucking I was giving her. I wanted to change positions, but was way too horny to stop, so I just kept going. Corrine just kept talking dirty to me about wanting to fuck me. She finally came, it was a huge one. I came a few seconds after, right into Corrine’s pussy. Corrine didn’t want me to pull out and cum, so I stayed in. I looked right into Corrine’s eyes as we were coming and gave me the biggest smile in the world.

We cuddled each other until we fell asleep. It was the next day, as I woke up I found my Corrine already awake. She was sucking my cock. It felt fantastic. I propped myself up on me elbows to watch her work. She started at the tip with her tonge swirling around the head and moving down the shat all the way to my balls. She watched me watch her the whole way down. Then she quickly pops up and takes it all in her mouth, again down to the base. I throw my head back in pleasure and give out a moan of approval.

She takes my hips and pulls me to go on my stomach. I do and then she oulls my hips up so that I’m on my knees with my butt slightly up in the air. I feel her wet tongue working its way between my buttcheeks and her hand sliding up and down my cock. She moves from my butthole to my balls and back again. She backs her face off my butt and replaces it with her fingers to stimulate my anus. She teases it with soft probes into it until she manages a whole finger inside. I moan and tighen around it and she pulls out.

She now slides herself under my cock and pulls my cock into her wide open mouth. She pulls my hips down so I begin fucking her mouth. She senses I’m about to cum and furiously massages my balls and sticks a finger in my butt. I climax and shoot like never before. She swallows very drop keeping my cock in her mouth until she knew I had emptied into it. Then she got up and went home.

I had my first real boyfriend in college. Earlier, my parents were very strict and I couldn't date. But I think that resulted in my being more sexually active later. I kept my boyfriend for my freshman year and after that I didn't choose to have any when I could have many. I really started to get into sex and would often skip classes and have sex three or four times a day because my roomates would be in class.

After college I was briefly married thinking I had to be, but my sex drive was too great to be with only one man. Now I love to fuck and I love doing it for a living. Above all, I really love you watching me do it. Don't you?

I've enjoyed every minute that I've had sex, both in front of the camera and in private. For me the sex, as the act itself, is really no different in either case, so it comes down to a matter of love. That's the essential element after the camera stops and it's time to go home. Then the sun comes up. It's time to go back to work.
